PROJECT EXPERIENCE

SEATRAX CRANE AND PEDESTAL

**DESTINED FOR THE DOLPHIN A
PLATFORM 1,024 CBM / 377,000 LBS**

This Seatrax Crane and Pedestal and was moved from Louisiana, via Houston TX to Chaguaramas Terminals for the client.

- Ready to move over the road
- Loading onto the truck at supplier
- Loading onto the vessel
- Vessel hatch opened to discharge

PACKAGE BOILER

Cargo moved from manufacturer's shop floor to barge by truck, then to river port and moved to Houston by Barge; from Houston port to Pt. Lisas port by ocean vessel; discharged by vessel's cranes directly onto modular trailers and moved to customer's site in Point Lisas.

- Loading on the barge on the mississippi river
- The shrink wrapped boiler being discharged from the vessel at Point Lisas

PROJECT EXPERIENCE

AIR CHARTER – ILLYUSHIN 76 AIRCRAFT

Cargo moved from VIT Airport, Spain to Piarco Airport, Port Of Spain. This Russian Aircraft had not previously landed in Port of Spain.

- Each piece was 14 meters long
- Total weight 16 Metric Tonnes

WASTE HEAT BOILER

1 PIECE – 100 METRIC TONS
15.15 M X 4.3 M X 3.38 METERS

Cargo moved from Berlin to Point Lisas. The boiler was too heavy to cross bridges and could not be moved by road from Berlin. It was moved by barge through the rivers to Antwerp and there it was loaded onto the vessel and shipped to Point Lisas.

PROJECT EXPERIENCE

GENERATOR EXPORT

**FOR REPAIR & RETURN 1 PIECE – 52 MT
(ACCESSORIES PACKED SEPARATELY)
HEAVY LUMBER CRATING JOB**

This generator needed special care with some heavy lumber for crating. The supplier provided the specs for the boxing and cca made another customer happy with this expert job. All crating was done on site at CCA'S Point Lisas Facility and by our in-house craftsmen! We also insured the shipment for the journey to the USA and back to Trinidad.

ANTONOV CHARTER

TRINIDAD TO NEW ORLEANS

**1st Air export AN-124 Charter for CCA
Urgent surplus Turbine sent to the US to support
the customer's plant operations at a sister facility.**

- 1 x Steam Turbine
- 13.6 Tons
- Date: Nov 2019

OUR MIAMI OFFICE

FAST FLOW INC

MIAMI, FL

www.fast-flow.net

customerservice@fast-flow.net

Fast Flow Inc. was established in 1985 as a Freight Forwarding and Consolidation company. In 2001, Fast Flow became a subsidiary of Cargo Consolidators Agency Limited (CCA), a Trinidad based freight forwarder.

Our Services Include Air & Ocean Freight to and from Miami and the US as well as Project Cargo Services such as Air Charters and Hand Carry shipments. Fast Flow has built up a niche market along with our parent company, CCA, providing specialized freight services for the Oil & Gas and Petrochemical customers in Trinidad, and our personalized service keeps us above the competition in our markets.

Outside of Trinidad, Fast Flow also provides Airfreight and LCL services from Miami to the wider Caribbean destinations as well as Central America. Our small size, but wealth of knowledge, allows us to be flexible while yet being able to tailor our services to meet our client needs.

OUR GUYANA OFFICE

CCA GUYANA INC.

GEORGETOWN GUYANA

www.cargoguyana.com

info@cargoguyana.com

CCA Guyana Inc. a subsidiary of Cargo Consolidators Agency Ltd, is a full service Freight Forwarder, Logistics and Consolidation Company. Our services include Logistics Management, Freight Forwarding, Air/Ocean Import and Export, LCL/ FCL and Break Bulk, Project Freight, Cargo Insurance, Customs Brokerage, Project Cargo and the sale of Dangerous Goods Packaging and Labels.

Integrity, Reliability and Efficiency are the values that defines our actions and services. We provide solutions to move your Cargo in and out of Guyana. We aim to simplify your shipping experience, increase visibility through Magaya Cargo System, maintain compliance standards and deliver your goods on time and within budget. Cargo Consolidators Agency and its subsidiaries are dedicated to its customers and principles by providing the highest quality service possible.

OUR HOUSTON OFFICE

ACTION WORLDWIDE CARGO SERVICES

HOUSTON, TX

www.actionworldwidecargo.com

rose.garza@actionworldwidecargo.com

Action Worldwide Cargo Services was established in 1996 and became a subsidiary of the CCA Group in December 2022.

AWCS is a full service Freight Forwarder and Logistics Company based in Houston. Together with CCA Trinidad we have established a niche LCL service from Trinidad to Houston.

We have perfected the shipping lanes between Trinidad and Houston for over 20 years and have pooled together the expertise of both companies to further develop other lanes, such as Guyana.

We're ready to provide the top level of service that is consistent with the CCA Group of companies.

WE LOOK FORWARD TO DOING BUSINESS WITH YOU!

OUR VALUES
INTEGRITY • EFFICIENCY • RELIABILITY
